Cody Sailing Club - How can we help?

I want to join you in adventurous dinghy cruising.

I've a young family and I love the idea of camping and adventurous dinghy cruising.

I've been racing for years and I now see myself using my skills for adventurous fun.

I know how to sail a dinghy and I want to learn how to dinghy cruise.

We are experienced dinghy sailors and we want to go on adventures that we would only attempt in a group.

We want to learn more about dinghy cruising and we love family camping.

Group sailing, family camping, camp fires, dinghy cruising training, all feels good to me.
